

# Mathematical Methods in Data Analysis

July 18-29, 2022

Faculty of Natural Sciences,  
University of Tirana, Albania.

Register (deadline April 30):

<https://tinyurl.com/MMDAAlbania>

Deadline for funding is March 22:

<https://applications.cimpa.info>

*A summer school that aims to bring together researchers from a diverse and wide expertise from **pure** and **applied** mathematics connected through data analysis theme.*

*with the support of*

An initiative of Fioralba Cakoni, Aida Maraj, and Mirjeta Pasha

## Lecturers

**Paul Breiding** (MPI MiS, Germany)

**Houssein Haddar** (Ecole Polytechnic, France)

**Nathan Kutz** (University of Washington, USA)

**Sonja Petrović** (Illinois Institute of Tech, USA)

**Tim Römer** (Universität Osnabrück, Germany)

**Samuli Siltanen** (University of Helsinki, Finland)

**Jakob Jørgensen** (Technical University of Denmark)

## Invited Speakers

**Visar Berisha** (Arizona State University)

**Fioralba Cakoni** (Rutgers University)

**Jane Ivy Coons** (University of Oxford)

**Julianne Chung** (Virginia Tech)

**Eglantina Xhaja** (University of Tirana)

**Eliana Duarte** (Centro de Matemática  
Universidade do Porto)

**Malena Espanol** (Arizona State University)

**Lothar Reichel** (Kent State University)

**Michael Vogelius** (Rutgers University)
