

# CURRICULUM VITAE

M.Sc. Korab Rrmoku

## INFORMATAT THEMELORE

Universiteti i Prishtinës "Hasan Prishtina"	Datëlindja: 15.07.1989, Prishtinë Kosovë.
Fakulteti i Shkencave Matematiko-Natyrore	Gjinia: M
Adresa: Lagjja "Arbëria" Rr. "Bajram Curri" nr.1, Prishtinë, 10000, Kosovë	Statusi civil: I martuar
Tel.: +386 49 776 362	e-mail: korab.rrmoku@uni-pr.edu

## EDUKIMI

2016 - tani	<b>Kandidat për PhD</b> South Eastern European University (SEEU), Maqedoni
2010-2013	<b>Master i Shkencave të Inxhinierisë Kompjuterike – M.Sc.</b> , Universiteti i Prishtinës, Fakulteti i Inxhinierisë Elektrike dhe Kompjuterike
	Teza: <i>Rekomandimi i pikave turistike përmes Analizës së Rrjeteve Sociale</i> Mentor: Prof. Dr. Lule Ahmedi Nota mesatare: 9.43
2007-2010	<b>Bachelor i Inxhinierisë Kompjuterike – B.Sc.</b> , Universiteti i Prishtinës, Fakulteti i Inxhinierisë Elektrike dhe Kompjuterike
	Teza: <i>European Network and Information Security Agency (ENISA)</i> Mentor: Prof. Dr. Blerim Rexha Nota mesatare: 9.06
2007	Shkolla e mesme në "Madison West High School", Madison, Wisconsin, USA – nxënës i dalluar (honored student)

## KARRIERA PROFESIONALE DHE THIRRJET AKADEMIKE

2018 - prezent	Asistent i rregullt, Universiteti i Prishtinës "Hasan Prishtina", Fakulteti i Shkencave Matematiko-Natyrore
2013 - prezent	Asistent i angazhuar, Universiteti i Prishtinës "Hasan Prishtina", Fakulteti i Inxhinierisë Elektrike dhe Kompjuterike
2015 – 2018	Asistent i rregullt, Universiteti i Mitrovicës "Isa Boletini", Fakulteti i Inxhinierisë Mekanike dhe Kompjuterike
2010 - 2015	Inxhinier në kompaninë 3CIS J.S.C

## PUBLIKIMET SHKENCORE

1.	Lule Ahmedi, Korab Rrmoku, Kadri Sylejmani, Dardan Shabani. "A Bimodal Social Network Analysis to Recommend Points of Interest to Tourists", Social Network Analysis and Mining Journal– Springer, December 2017
2.	Vigan Abdurrahmani, Lule Ahmedi, Korab Rrmoku, "E-Shop: A Vertical Search Engine for Domain of Online Shopping", 13th International Conference on Web Information Systems and Technologies (WEBIST) 2017
3.	Lule Ahmedi, Korab Rrmoku, Dardan Shabani. Poster - "ViziTo: A system for recommending touristic Points of Interest using Bimodal Social Network Analysis", ENTER2018 eTourism Conference, Organized by the International Federation for Information Technology and Travel and Tourism (IFITT), Jönköping - Sweden, January 2018
4.	L. Ahmedi, K. Rrmoku, K. Sylejmani. "Tourist tour planning supported by Social Network Analysis". 2012 ASE International Conference on Social Informatics (SocialInformatics-2012), Washington D. C., USA, Dec. 14-16, 2012 (acceptance rate 11.5%).
5.	Arbnor Halili, Korab Rrmoku, Blerim Rexha. "Kosovo's websites vulnerabilities and its economic impact", Information Systems and Technology Innovations: towards a digital Economy, Tirana, Albania – June 15th – 16th, 2013
6.	Arbnor Halili, Albert Aliu, Korab Rrmoku. "The use of an android platform application as a way to promote attractive touristic spots in Republic of Kosovo", 5th International Conference "Information Systems and Technology Innovations: projecting trends to a New Economy" - 2014
7.	Blerim Rexha, Arbnor Halili, Korab Rrmoku, Dren Imeraj. "Impact of secure programming on web application vulnerabilities", IEEE International Conference on Computer Graphics, Vision and Information Security (CGVIS) 2015, At Kalinga Institute of Industrial Technology (KIIT University) Patia, Bhubaneswar Odisha-751024, India – 2015
8.	Valon Xhafa, Korab Rrmoku, Blerim Rexha. "Towards an algorithm for efficient use of social network resources by using Web scraping techniques", INASE - Institute for Natural Sciences and Engineering Conference, Bratislava, Slovakia – 2015
9.	Valon Xhafa, Blerim Rexha, Korab Rrmoku. "Towards an algorithm for efficient use of social network resources by using Web scraping techniques", International journal of computers and communications, 2015
10.	Valon Xhafa, Korab Rrmoku, Blerim Rexha. "Using collaborative based algorithm for efficient management of limited resources on social networks", 3rd International Conference on Mathematics and Computers in Science and Industry - MCSI2016

## LËNDËT E MBAJTURA

**Universiteti i Prishtinës "Hasan Prishtina"** - Fakulteti i Shkencave Matematiko-Natyrore, Departamenti – Matematikë, Programi – Shkenca Kompjuterike

*Ushtrimet e mbajtura në nivelin Bachelor:*

Programimi në WWW, Inxhinierimi i softuerit, Programimi i distribuuar, Arkitektura e kompjuterëve dhe sistemet operative, Biznesi elektronik, Hyrje në shkencën kompjuterike, Aplikacionet kompjuterike I.

**Universiteti i Prishtinës ‘Hasan Prishtina’** - Fakulteti i Inxhinierisë Elektrike dhe Kompjuterike

*Ushtrimet e mbajtura në nivelin Bachelor:*

Programimi në WWW, Interneti (WWW), Algoritmet dhe Strukturat e të dhënave, Qarqe Digjitale

*Ushtrimet e mbajtura në nivelin Master:*

Uebi Semantik, Dizajni i Avancuar i Logjikës Kompjuterike, Seminar në Sistemet Informative, e-Qeverisja

### PROJEKTET SHKENCORE

**Tourist Tour Planning and Social Network Analysis**, January 2012 – December 2012 - National Research Grant, Ministry of Education, Science and Technology  
The main contribution of the project is a novel system introduced for tourist tour planning based on social network analysis (SNA).

**DEKOS-IT: University dialogue and cooperation between Germany and Kosovo in IT capacity building**, May 2017 – January 2018, Participant and engaged as assistant logistic organizer for UP.

### CERTIFIKIME

**Cisco Unlicensed Small Cell Training for Systems Engineers** by Cisco Systems

**Certified Wireless Network Administrator (CWNA)**- 2013

**Cisco Certified Network Associate (CCNA)** - 2008

**ZyXEL Certified Engineer on Security** - 2007

**ZyXEL Certified Engineer on Ethernet Switches** - 2007

### MIRËNJOHJE

**Bursist i Universitetit të Prishtinës më 2008, 2009** – për studentët e dalluar

**Bursist i ‘IPKO Foundation’ më 2009** – për studentët e dalluar

**‘Resurs i dalluar i vitit’ më 2014** - 3CIS J.S.C

### PROJEKTE PROFESIONALE

**WiFi networks for High Density Deployments (with focus on stadiums)**, Leader of the Project, 2013 – 2015, Cisco Systems via 3CIS J.S.C

**Human Resources Managment Platform**, Software Engineer, Development (and maintainanced) with PHP & MySQL, 3CIS J.S.C, 2013

**High Level and Low Level Network Design Project** – for Megafon, MTS, Vodafone – 2011 - 2013

**3G/4G Failover Solution for Cradlepoint**, Solution Design Engineer, 2011

**SIAD Deployments on ATT UMTS Network**, Network Enginner, 2010 - 2011
